

ABDUL NAHAS KV

Mechatronics Engineer | Robotics Engineer

Malappuram, Kerala, India | nahaskv461@gmail.com | +91 6235480111

LinkedIn: Abdul Nahas KV | GitHub: [Add URL]

SUMMARY

Mechatronics Engineer with hands-on experience in robotics, embedded systems, electronics, automation, and STEM education. Currently working as an Academic Associate - Robotics Department at COZMEK Pvt. Ltd., facilitating robotics programs for college and school students. Experienced with Arduino, ESP32, Raspberry Pi, Python, IoT, and robotics projects.

EXPERIENCE

Academic Associate - Robotics Department

COZMEK Pvt. Ltd. | May 2026 - Present

- Facilitate the Robotics Facilitation Add-on Course for college students..
- Facilitate STEMpedia curriculum-based robotics and STEM programs for school students.
- Guide students in robotics projects, programming, electronics, and practical activities.
- Support project development, troubleshooting, and technical demonstrations.

AI & Robotics Intern

Acutro Technologies | July 2025 - March 2026

- Worked on Artificial Intelligence and Robotics projects.
- Contributed to a humanoid robot project and bipedal locomotion.

Engineering Intern

Cochin Shipyard Limited

- Gained practical exposure to shipbuilding, ship repair, and industrial engineering operations.

PROJECTS

Humanoid Robot - Bipedal Locomotion

Worked on humanoid robot development with a focus on bipedal movement and control.

Autonomous Vehicle with V2X Communication

Developed an autonomous vehicle project exploring V2X communication and connected transportation.

Smart Home Automation

Developed an IoT-based home automation system using microcontrollers.

SKILLS

Programming: Python, Arduino

Robotics: Robotics, Automation, ROS 2, Autonomous Systems

Embedded: Arduino, ESP32, Raspberry Pi, Sensors, Actuators

IoT & Tools: IoT, Blynk, Sinric Pro, Tinkercad, Arduino IDE

Engineering: Mechatronics, Control Systems, Electronics

EDUCATION

B.Tech in Mechatronics Engineering

Nehru College of Engineering and Research Centre, Pampady

APJ Abdul Kalam Technological University | 2022 - 2026

Higher Secondary Education

DHOHSS Pookkathara | 2020 - 2022 | CGPA: 7.9

CERTIFICATIONS

- Robotic Operating System Workshop - Rosversity Pvt. Ltd. | 2023
- Arduino Prototype Development Workshop - Acutro Technologies | 2023
- IoT & AI Workshop - Department of Mechatronics | 2024
- Resource Person Certificates - Department of Mechatronics | 2024, 2026

- Internship - Cochin Shipyard Limited | 2025

LANGUAGES

Malayalam, English, Tamil, Hindi
